

Church Architecture Awards

The King of Prussia Gold Medal

The King of Prussia Gold Medal is for innovative, high quality church conservation or repair work.

The award is part of the National Church Awards 2022. It is made on behalf of the National Churches Trust and the Ecclesiastical Architects and Surveyors Association.

Entry requirements

The King of Prussia Award is open to the architect or chartered surveyor on any scheme of repair for a church or chapel of any Christian denomination in the UK, in use for regular worship and over one hundred years old.

The Presidents' Award

The Presidents' Award is given for the best example of a new church building or for extensions to churches.

The award is part of the National Church Awards 2022. It is made on behalf of the National Churches Trust and the Ecclesiastical Architects and Surveyors Association.

Entry requirements

The Presidents' Award is open to projects at any church building of any Christian denomination across the UK. Projects are eligible if they have been completed within the last three years or after the Practical Completion stage of development.

Young Architect of the Year

The award is available to an architect who has been responsible for a shortlisted design of either a scheme for the King of Prussia Gold Medal or the Presidents' Award. Nominations can be made on either application form.

Submission and judging process for all awards

- You will need to start your submission with a title, brief description.
- You will need to upload at least 5 images on the submission page.
- Then, to apply you will need to complete the detailed submission form.
- As part of the form you will need to upload at least one plan /drawing of the project.
- You will also be able to upload a video.
- You will be able to amend your submission up until the closing date.

Overleaf are the questions, so that you can prepare your answers offline. Some questions are mandatory (marked with an asterisk), others are not. Some have a word limit, which is listed here.
