

Children, welcome to the Old Kirk!

1. Look at the windows:

Find the starfish,
the Town House,
the burning bush.

2.

Can you see the Links
Market roundabout on the
wall?

3. Where is the brass eagle?
What is he carrying on his wings?

4. The Communion Table is special because it reminds us of Jesus's Last Supper with His friends. In some churches it is called an altar. Look carefully! What is the year it was made?

5. Go to the model of the tower:

Find the butterfly,
the spider (which doesn't move!)
and the witch's bone!

5. Look at the Exhibition display. Find the picture of the Bishop who consecrated the Old Kirk in 1244. Draw a copy below.

6. What year was the fire started by vandals who broke into the church?

7. What is the oldest thing in the church?
Clue: it rings!
