

The United Kingdom has some of the most historic and beautiful religious buildings to be found anywhere in the world. At the centre of local communities, churches, chapels and meeting houses provide a home for countless activities such as playgroups, drop-in-centres and musical events, as well as serving their core purpose as places of worship.

*For people who love church buildings*

The National Churches Trust's income comes from individuals and other trusts and foundations, not from government or church authorities. It is thanks to our Friends and supporters that we are able to help the UK's churches, chapels and meeting houses.
