

Constituent factsheet: Community buildings, places of worship and faith groups

Date: February 2015

Introduction

This funding guide outlines and signposts sources of financial assistance available to organisations and groups for the construction, development and maintenance of community buildings and places of worship. This guide also includes sources of financial assistance available for faith groups in Wales

Welsh Government

Community Facilities Programme

The Community Facilities Programme is a capital grant fund which aims to develop and improve community facilities which in turn provide services that communities need in order to tackle poverty and its effects.

The main focus for the programme is on increasing opportunity, tackling poverty and providing a large variety of services for communities throughout Wales.

Capital Grants are available by application to a maximum of £500,000 for a variety of improving projects within the community. Applications need to demonstrate how the facilities need to be improved in order to secure funding.

Cadw

Cadw offers grants as a contribution towards the costs of repairing and restoring historic assets as well as match funding towards community, local authority and third sector led projects. Some of the grants include:

Historic Buildings Grant

This grant can be used to repair or restore buildings of outstanding architectural or historic interest and 'at risk' listed buildings which will improve the appearance of conservation areas.

For more information: [Historic building grant](#)

Ancient Monuments Grant

Cadw is able to offer grants to help owners of scheduled ancient monuments to protect and enhance them.

Financial help is given for positive works on a regular basis, such as:

- fencing
- scrub clearance
- erosion repair
- stock control

For more information: [Ancient Monuments Grant](#)

Civic Initiative (Heritage) Grants Scheme

Cadw runs a grant scheme for helping voluntary organisations to promote a better understanding of their local heritage.

The scheme is aimed at small-scale projects which help to preserve, enhance or improve the historic environment of Wales and increase social awareness of Welsh heritage.
